

Let the Depth of Your Pocket Show the Depth of Your Patriotism

While you are at home tonight, many American boys "over there" are out in the rain and mud dodging death from bomb and shrapnel.

While you are enjoying your evening cigar, some American soldier may be smoking his last.

The boys in the trenches are risking their lives for you; and you are not even asked to risk your money for them. But you are expected to loan your money---loan it at four per cent. compound interest, the highest rate the Government has ever paid.

JUNE 28th
National War Savings Day

The more money you lend the Government the sooner the war will end and the less American blood will be shed.
